

Port of Olympia Community Advisory Committee Operating Procedures and Rules

The Port of Olympia Community Advisory Committee (POCAC) operates under the authority of Port Resolution 2026-04. If there are any conflicts between operating rules of the POCAC and the Resolution, the Resolution takes precedence.

1 POCAC Duties and Responsibilities

The Port Commission has set out the POCAC's objectives, authority, composition and tenure, roles and responsibilities and reporting, administrative and governance arrangements in Resolution 2026-04.

2 Ethical Behavior and Community Representation

Conflict of Interest: Committee members will not participate in providing advice or comments to the Commission, staff, or other POCAC members on any matter in which they have a financial interest. Additionally, POCAC members will not participate in issues related to any contract in which they have a financial interest. If a POCAC member has a conflict of interest, he/she will disclose such conflict to the other members of the POCAC and file a written statement disclosing the conflict with the Commission and Executive Director.

Official Port Communications: POCAC members will not claim that they are speaking on behalf of the Port unless they have been specifically authorized to do so by the Port's Commission or Executive Director.

Committee comments and communications: POCAC members will not comment about individual members of the public or Port staff in general commentary or comments regarding POCAC work.

3 Coordination with Internal Staff

The POCAC will include a staff liaison, appointed by the Executive Director, as an ex-officio member. The staff liaison may change, depending on the nature of the work task being executed.

POCAC subcommittees, when formed, will include a staff liaison.

Port of Olympia's staff support the POCAC and subcommittees as time and resources allow. In general, staff support includes:

- Providing guidance and offering recommendations to assist the POCAC and subcommittee in its work.
- Supporting the POCAC and subcommittee in maintaining progress towards its assignment.

4 Required Public Records Training

All POCAC members are required to receive training under the Public Records Act within 90 days of appointment and a refresher training every four years. Training is available on the Washington State Office of the Attorney General at: <https://www.atg.wa.gov/open-government-training>.
