

The Port of Olympia is currently accepting sealed bids for Contract No. 2021-1040, Miscellaneous Earthwork Services.

The Contractor will provide and furnish all labor, equipment and materials as may be required to complete the work, installed, tested, and ready to use, as assigned in the Miscellaneous Earthwork work orders.

This contract involves various earthworks projects on properties owned by the Port of Olympia including, but not limited to, the Olympia Airport, the marine terminal, Swantown Marina and Boatworks, and industrial or commercial properties in Tumwater or on the Port peninsula. The Port will issue an individual Work Order for each separate project or piece of work. The Contractor and the Port's Project Manager will estimate the quantities of the bid items and will sign the Work Order as acknowledgement of the scope, schedule and assignment of work. Payment will be made utilizing the schedule of unit prices as bid.

The contract shall expire three years following contract award, or when the sum of \$300,000 including Washington State Sales Tax has been expended under the contract, whichever occurs first. If, at the end of the contract term, available contract funds remain, the contract term may be extended for one additional year upon mutual acceptance. The unit prices as bid shall remain the same.

Bids will be received at Port of Olympia reception counter, third floor, 606 Columbia Street NW, Suite 300, Olympia, Washington until **11:00 a.m. on Monday August 2, 2021.**
